In addition to other important disclosures included throughout this subscription agreement, Subscriber should carefully consider the following when determining whether, and how, to use the Analytical Tools being subscribed for pursuant to this Subscription Agreement:

- a. The Analytical Tools are provided to Subscriber as research and educational materials only. Subscriber has the sole right and responsibility to determine whether to use any of the information included in the Analytical Tools in developing or providing investment advice to one or more of Subscriber's clients. LIA does not have contact with Subscriber's clients and is not providing investment recommendations, strategies or any other forms of personal investment advisory services to Subscriber's clients.
- b. Past performance and advice cannot be viewed as a guarantee of future results. AS WITH ALL MARKET INVESTMENTS, SUBSCRIBER INVESTMENTS CAN APPRECIATE OR DEPRECIATE AND SUBSCRIBER ACKNOWLEDGES THAT A LOSS OF PRINCIPAL INVESTMENT IS POSSIBLE.
- c. LIA does not guarantee the accuracy, timeliness, completeness or correctness of any of the information included in the Analytical Tools. LIA DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, RELATING TO THE INFORMATION CONTAINED IN THE ANALYTICAL TOOLS INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE INFORMATION INCLUDED IN THE ANALYTICAL TOOLS IS PROVIDED "AS IS" AND WHEN AVAILABLE WITH ALL FAULTS.
- d. Investing in securities involves risks, including the risk that an investor could lose his or her entire investment. There is no certainty that any specific investment objectives will be met through implementation or use of the Analytical Tools.
- e. The Analytical Tools are highly reliant on the accurate performance of certain algorithms used by LIA and the technology that generates those algorithms. A malfunction or failure in either could cause users of the Analytical Tools to experience losses, some or all of which could be significant. The algorithms use models that involve assumptions based on a limited number of variables, any one or all of which, whether or not supported by past experience, could prove over time to be incorrect, which could result in material losses.
- f. The recommendations contained in the Analytical Tools are time sensitive, especially during times of significant market volatility and when there are time limits on the availability of a particular investment product. Thus, LIA's recommendations may be subject to different interpretations as market conditions and other factors change.
- g. LIA is not responsible or liable for any loss or damages incurred due to any act or omission of Subscriber or any custodian, broker-dealer, or other investment advisor.
- h. IN NO EVENT SHALL LIA BE LIABLE FOR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING UNDER OR RELATING TO THIS SUBSCRIPTION AGREEMENT OR SUBSCRIBER'S ACCESS TO OR USE OF THE INFORMATION INCLUDED IN THE ANALYTICAL TOOLS. IN NO EVENT WILL LIA BE LIABLE FOR ANY INACCURACIES, OMISSIONS OR ERRORS IN THE INFORMATION OR FOR DELAYS IN PROVIDING UPDATES OF THE INFORMATION. LIA IS NOT LIABLE FOR ANY CLAIM OR DEMAND BASED ON OR

RELATING TO THIS SUBSCRIPTION AGREEMENT OR SUBSCRIBER'S ACCESS TO OR USE OF ANY INFORMATION IN THE ANALYTICAL TOOLS IN EXCESS OF AN AMOUNT EQUAL TO THE PAYMENTS MADE BY SUBSCRIBER TO LIA HEREUNDER DURING THE TWELVE MONTHS PRECEDING THE DATE ON WHICH ANY CLAIM IS MADE.

- XI.
